

LORD OF LIFE ENDOWMENT FUND GRANTS FOR 2024

The Endowment Fund has been incorporated to make funding available to support ministries at Lord of Life Lutheran Church. All requests must be sponsored by a member of Lord of Life and may not be used for activities or projects that are part of the normal operating budget for Lord of Life. Ministries at Lord of Life for the purpose of granting funds are defined as:

Congregational Program Fund:

Supporting the expansion of the ministries of this congregation in such areas as education, worship, music, the arts, parish life and staff development.

Benevolence Fund:

Supports the special needs of members of the congregation, the community at large and the mission of the Western North Dakota Synod of the Evangelical Lutheran Church in America.

Capital Projects Fund:

Supports planned capital improvement to the Lord of Life facilities. Grants do not have to be used at Lord of Life, but applications must be sponsored by Lord of Life members.

Funds will be available for 2024 grants. Grant applications will be accepted through November 10, 2023. The Endowment Fund board suggests an \$ 800 - \$1000 maximum for each grant application and may fund all or partial amounts depending on funding availability. Successful applicants will be notified by the Endowment Team.
